EXCiPACT™ TRUST CERTIFIED.

Why **users** trust EXCiPACT

- Fully aligned with the Formalised Risk Assessment for Ascertaining GMP for excipients (EU and PIC/S).
- Meets regulatory requirements when integrated with the other supplier approval requirements.
- Facilitates qualification of excipient suppliers.

EXCiPACT is a globally recognized GMP certification scheme for excipient suppliers, based on:

- IPEC-PQG GMP & GDP Guides
- ISO 9001
- Specific EXCiPACT standards (GMP, GDP, GWP)

Audits are done by qualified third-party auditors and aligned with ISO 9001. Certificates, audit reports and action plans (if any) are fully shared with users.

- Reduces overall supplier approval costs; allows resources to be directed at higher risk excipients and suppliers.
- Readily available qualification packs for EXCiPACT and Certification Bodies

EXCiPACT TRUST CERTIFIED.

Why **suppliers** rely on EXCiPACT

- Trusted by customers, accepted by European and US pharmacopeia as a suitable excipient GMP.
- Facilitates user approval of excipient suppliers.
- Cost effective in reducing the overall costs of hosting and responding to customer audits.

EXCiPACT is a GMP Certification Scheme for excipient suppliers based on the worldwide recognised IPEC-PQG GMP and GDP Guides for excipients(ref) and ISO 9001, with specific standards for

- **GMP** Manufacturing, distribution, warehousing
- **GDP** distribution, warehousing
- **GWP** warehousing

3rd party audits are performed alongside ISO 9001 using EXCiPACT standards by EXCiPACT qualified auditors.

Certificates, audit reports and action plans (if any) are shared with excipient users.
